PITCH LOCATIONS
2024/25

Link to an online Pitchfinder [here](#)
(or download the free 'CSP UK Pitch Finder' Web App to your device)

Every ground, pitch or park location that the league will use during the season has been coded into the App which has a very useful 'Take me There' function with 'real time' journey times. The App uses longitude and latitude co-ordinates, so it should be accurate to within 10 sq.m.

There's a link to the League's 'FA Full-Time' page, so that you can check on fixtures, and a link to the League's social media to keep you in touch with what's happening.

There's no need to set up a username & password and there are no 'in app purchases' to worry about.

This App is funded by local sponsors who may also offer discounts and incentives through the App to League members and their families. The league will also receive a small income from sponsorship of the App to invest in Youth Development in the local area.
